SAVE YOUR MONEY.  
IT'S WHAT SMART  
PEOPLE DO.

Think about it. It's easy to spend all of your hard-earned money. Whether you're working at the mall, serving up burgers or mowing somebody's lawn, you work too hard to just cash your check and spend it all before your next payday.

Ask around and you'll find that smart people you know keep their money in a place that gives them a great return. That's right, you earn **MORE** money! Let your money go to work for you and watch it grow! Service 1 pays you to save, and as a Generation Next Teen member, you even get a bonus dividend!

It's a great feeling knowing you'll have money for a new prom dress, new tires, or that special trip you've always wanted to take. When you need it, your money—plus the interest you are earning—is there for you. Get started today!
